1. Aims

This procedure statement aims to set out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the [Education Act 1997](#).

This procedure shows how our school complies with these requirements.

3. Student entitlement

All students in years 8 to 13 at Hope Valley College are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships, e.g. through activities and events such as options events, assemblies and taster events
- Understand how to make applications for the full range of academic and technical courses

4. Management of provider access requests

4.1 Procedure

A provider wishing to request access should contact Geraldine Brannelly CEIAG advisor or Debbie Petts, Vice Principal.

Telephone: 01433 620555

Email: enquiries@hopevalley.chorustrust.org

Emails should be marked for the attention of the careers advisor or the Vice Principal

4.2 Opportunities for access

A number of events, integrated into our careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents/carers:

In the following table, outline examples of the opportunities provided for training and education providers to speak to students and/or their parents/carers. We've provided some examples:

These events will run in line with any measures related to public health incidents, including COVID-19.

4.3 Granting and refusing access

A wide range of opportunities exists across the year to support our young people. These opportunities are listed below:

- > Work experience – providing a work placement for a young person
- > Mock interviews – providing a morning or afternoon of time to conduct practice interviews for students
- > Careers talks – this could be an assembly to a year group of about 2 minutes or something more bespoke to a smaller group of young people
- > Supported internship placements – this is to support our students in Hope Valley Pathways

Other opportunities arise during the year such as LEAD days and activities during careers week. We would also welcome assemblies from individuals who may wish to share their career journey with our young people.

Hope Valley College reserve the right to decline requests. The reasons may be (but are not restricted to) the following:

- > If such attendance would provide an imbalanced view of available provision (e.g. several apprenticeship providers at an event and no colleges)
- > If the provider's input would not be relevant at a particular event
- > If the request is not timely (e.g. clashes with key events in school)
- > If the information is not deemed to be in the best interest of pupils (e.g. if the provider is promoting a 'hard sell' or there are concerns about the ethics or quality of the provision)

In such cases the Vice Principal would inform the provider of this decision as part of their duty to provide impartial careers advice. If the provider wishes to appeal this decision, they may contact the Principal. If they wish to appeal this decision, they should contact the Chair of Governors.

4.4 Safeguarding

Our safeguarding/child protection policy outlines the school's procedure for checking the identity and suitability of visitors. Checks about the suitability of the information being provided will be made.

Education and training providers will be expected to adhere to this procedure.

4.5 Premises and facilities

The school will make the main hall, classrooms and suitable teaching spaces or meeting rooms available for activities between the provider and students, as appropriate to the activity. The school will also make available and AV and other equipment required. This will be agreed in advance with the provider.

Providers are welcome to leave a copy of their prospects and information which will be shared with the library.

Monitoring Arrangements

The school's arrangements for managing the access of education and training providers to students are monitored by Debbie Petts, Vice Principal.

This procedure will be reviewed by Debbie Petts, Vice Principal on an annual basis.

At every review, the procedure will be approved by the governing board.
