

3 March 2020

Dear Parents/Carers

On Monday 9th March we will be offering all Year 9 students the Teenage Booster (Tetanus, Diphtheria and Polio) and the new Meningococcal ACWY (Men ACWY) which replaces the Men C and we will be using e-consent for this vaccination programme. We will be vaccinating girls and boys in Year 9. Students are able to self-consent on the day but in order for the day to run as smooth as possible it would be helpful for it to be completed beforehand using the link below.

Please visit <https://www.derbyshireandcityimms.co.uk/> or **SCAN ME** (for iPhone and Android's with the "scan me" app) and click on the Diphtheria, Tetanus & Polio, Men ACWY icon to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **Hope Valley College** is **DD137350**

For more information about the vaccination and the date we are due into your school please visit the following website: <http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

If you experience any problems please call the School Age Immunisation Team.

Repton: 01283 707178

Clay Cross: 01246 252953

Yours sincerely

Mrs Petts
